

# It's Gotta Be You

## Isaiah

I hear a million voices in my head  
Telling me the things I should have said  
I don't know why I let you go  
Oh I learned the hard way  
Tell me it's not too late Now my arms are open wide  
They're hanging forever, there  
Waiting forever, for you  
I won't give up on you this time  
Cause I ain't holding up, for nobody else It's gotta be you  
When you walked away my  
Heart tried to replace ya  
With someone like you  
But I could never find it  
I don't want to fight it  
It's gotta be you  
I wish I could turn back the time  
The power is yours and not mine  
Maybe with time you'll see that  
I can give you all the things you missed  
Oh no no Now my arms are open wide  
And I ain't holding now, for nobody else It's gotta be you  
When you walked away  
My heart tried to replace ya  
With someone like you  
But I could never find it  
I don't want to fight it  
It's gotta be you  
You don't have to answer right now  
Baby go and take your time  
Cause I'll be here  
It's gotta be you  
It's gotta be you It's gotta be you  
When you walked away my  
Heart tried to replace ya  
With someone like you  
But can I never find it  
I don't want to fight it  
It's gotta be you  
It's gotta be you  
I don't want nobody else  
Nobody else b
