

# Autumn Leaves (feat. Kendrick Lamar)

Chris Brown

If you leave this time I'll feel that you be gone for good  
So, I'll hold on like leaves in Fall to what is left  
Said her father left her when she was young and  
He said he'll be back with that same  
tone that you just said you'll stay forever with It seems that all the autumn leaves are falling  
I feel like you're the reason for it  
All the things you do  
All the things you do  
All the things you do  
All the things you do  
All the things you do  
All the things you do  
Its safe to say your the only reason for it I've been bleeding in your silence  
I feel safer in your violence  
I hold on like leaves and fall to what is left  
Before I sleep I talk to God must be mad with me it's coming  
I'm confused who'll I'll spend my forever with It seems that all the autumn leaves are falling  
I feel like you're the reason for it  
All the things you do  
All the things you do  
All the things you do All the things you do  
All the things you do  
All the things you do  
So the iceberg never broke  
And I poked at it and I poked at it and I poked at it  
And I poke (and I poke) and I poked  
But it stayed stagnant then I poked at it Some more (some more)  
And in my notepad, man I wrote (man I wrote)  
If I dont have it, if I dont grab it  
If I dont chip then a toe tag is, one last  
Ima hope (ima hope) so iceberg  
Dont float (dont float)  
If I do manage to do damage to you  
Dammit  
It'd be grand, its ten grammies or my  
Granite still standing  
With a note (with a note) that read  
"Granted, dont you panic"  
When you make mistakes the most (the Most)  
One day it'll make you grow (you grow)  
When you outlandish and lose  
Manners

To god you shall consult (consult)  
When the bright cameras are still  
Cramming  
In your face and at provoke (provoke)  
You to act manic, just stay planted  
Cause your reapin what you sowed  
Keep positivity in your heart and (and)  
Keep a noose from round your throat and (and)  
When you get mad and you poke at  
It  
When you poke at it just know, man  
The iceberg is a reflection of you when  
You re-new your vision  
Just think if it had sunk titanic, duff giving to do a critic man?  
Yeah, yeah, tell me, when doves cry do  
You hear em love?  
(Do you hear em love? Do you hear em?)  
And if my ship go down tell me who will  
Abort?  
And they won't let me live even when  
Remorse that I give  
When it goin rejoice and forgive, tell me  
How I stay positive  
When they never see good in me  
Even when I got hood in me  
Don't mean he won't redeem me, Lord  
it seems that all the autumn leaves are falling  
I feel like you're the reason for it All the things you do  
All the things you do  
All the things you do  
All the things you do  
All the things you do  
All the things you do
