

# So Am I (Martin Jensen Remix)

Ava Max

Do you ever feel like a misfit?  
Everything inside you is dark and twisted  
Oh, but it's okay to be different 'Cause baby, so am I (so am I, so am I, so am I-I-I-I-I) Can you  
hear the whispers all across the room?  
You feel her eyes all over you like cheap perfume  
You're beautiful, but misunderstood  
So why you tryna be just like the neighborhood? I can see it, I know what you're feelin'  
So let me tell you 'bout my little secret  
I'm a little crazy underneath this  
Underneath this  
Do you ever feel like a misfit?  
Everything inside you is dark and twisted  
Oh, but it's okay to be different  
'Cause baby, so am I (So am I, so am I, so am I)  
Do you ever feel like an outcast?  
You don't have to fit into the format  
Oh, but it's okay to be different  
'Cause baby, so am I (so am I, so am I, so am I-I-I-I-I) Oh so, dressed so fancy like Sid and  
Nancy (yeah)  
Walkin' Killer Queen, gotta keep 'em guessin'  
So baby come pass me a lighter  
We're gonna leave 'em on fire  
We're the sinners and the blessings I can see it, I know what you're feelin'  
So let me tell you 'bout my little secret  
I'm a little crazy underneath this  
Underneath this, ooh  
Do you ever feel like a misfit?  
Everything inside you is dark and twisted  
Oh, but it's okay to be different  
'Cause baby, so am I (so am I, so am I, so am I)  
Do you ever feel like an outcast?  
You don't have to fit into the format  
Oh, but it's okay to be different  
'Cause baby, so am I (so am I, so am I, so am I-I-I-I-I) (Ah-ah-ah)  
You're king and you're queen  
You're strong and you're weak  
You're bound but so free  
(Ah-ah-ah)  
So come and join me  
And call me Harley  
And we'll make a scene Do you ever feel like a misfit?  
Everything inside you is dark and twisted

Oh, but it's okay to be different  
'Cause baby, so am I (so am I, so am I, so am I)  
Do you ever feel like an outcast?  
You don't have to fit into the format  
Oh, but it's okay to be different  
'Cause baby, so am I (so am I, so am I, so am I-I-I-I-I)
