

You Will Never Know

Imany

It breaks my heart 'cause I know you're the one for me
Don't you feel sad there never was a story obviously
It never be You will never know
I will never show
What I feel
What I need from you no
You will never know
I will never show
What I feel
What I need from you With every smiles come my reality... irony
You won't find out what has been killing me
Can't you see me, can't you see?
You will never know
I will never show
What I feel
What I need from you no
You will never know
I will never show
What I feel
What I need from you no no
You will never know
I will never show
What I feel
What I need from you
No no no no you'll never know
No no no you'll never know
No no no
Love me love me love me love me no
You will never know
I will never show
What I feel
What I need from you no no
You will never know
I will never show
What I feel
What I feel
What I feel
What I need
What I need from you... no!
