## **Remember My Name**

## Yuna

I can show you the world Shining, shimmering, splendid Tell me, princess, now when did You last let your heart decide?A whole new world A dazzling place I never knewLet me share this whole new world with you Unbelievable sights Indescribable feeling Soaring, tumbling, freewheeling Through an endless diamond skyA whole new world A new fantastic point of view No one to tell us no Or where to go Or say we're only dreamingA whole new world A hundred thousand things to do And now i meant the whole new world with you
