## **Dreams**

## **Fleetwood Mac**

Now, here you go again
You say, you want your freedom
Well, who am I to keep you downIt's only right that you should
Play the way you feel it
But listen carefully, to the sound
Of your lonelinessLike a heartbeat, drives you mad
In the stillness of remembering what you had

And what you lost And what you had And what you lost

Oh, thunder, only happens when it's raining Players, only love you when they're playing They say women, they will come and they will go When the rain washes you clean, you'll know You'll knowNow, here I go again, I see

The crystal vision
I keep my visions to myself
It's only me, who wants to
Wrap around your dreams and

Have you any dreams you'd like to sell Dreams of lonelinessLike a heartbeat, drives you mad In the stillness of remembering, what you had

And what you lost
And what you had

Ooh, what you lost

Thunder, only happens when it's raining Players, only love you when they're playing Women, they will come and they will go

When the rain washes you clean, you'll knowOh, thunder, only happens when it's raining Players, only love you when they're playing

They say women, they will come and they will go

When the rain washes you clean, you'll know

You'll knowYou will know

Oh, you'll know
