

# Enough!!

## A Tribe Called Quest

Is this enough?  
Is this enough?  
Is this enough?  
Is this enough? Yo, I'm savant with the game  
Go on, tell 'robi yo' name  
Provide words that's heard, setting your body aflame  
Ooh, you off the chain, I'm handling your terrain, your valley  
Has me standing down to the follicle  
'Bout half of this bottle full of reasons for us to ball  
Calming violations and travel vacations, ma  
Place on your fancy bra, go take them vestments off  
Skin and my lips involved with licking a place that's on  
Jedi  
Is this enough?  
Is this enough love that I give to you?  
Is this enough?  
Is this enough time that I give to you?  
Is this enough?  
Tell me that you feel the same way I do  
Is this enough?  
Enough, enough, enough Is it an issue if I make you nut?  
But there's no quality time 'cause I forever grind  
This is not an excuse, I just wanna get loose  
That's some nigga jargon, girl, you're making me harden  
To the stone and granite statue, I'm prone to get at you  
It's hard to break your defense, I guess I have to leap fence  
And scale wall and break fall on a tree right by your window  
Reward me for my efforts by rolling this indo  
As I nibble your neck naughtily, sex is a big part of me  
Agencies want to audit me, searches in for sodomy  
My thrust bust artery, I know you're on to me  
Just wanna have shenanigan, don't wanna make you mad again  
So focus on the flattery you feel when I fring it  
Acknowledge that I got it and you love it when I bring it  
Dirty talk loud but they saying, "Fuck this shit"  
At the queen's request, if it's gotta be, it's gotta be  
Is this enough?  
Is this enough love that I give to you?  
Is this enough?  
Is this enough time that I give to you?  
Is this enough?  
Tell me that you feel the same way I do

Is this enough?  
Is this enough?  
Is this enough love that I give to you?  
Is this enough?  
Is this enough time that I give to you?  
Is this enough?  
Tell me that you feel the same way I do  
Is this enough?  
Is this enough?
