Is this enough love that I give to you? Is this enough? Is this enough time that I give to you? Is this enough? Tell me that you feel the same way I do Is this enough? Enough, enoughIs it an issue if I make you nut? But there's no quality time 'cause I forever grind This is not an excuse, I just wanna get loose That's some nigga jargon, girl, you're making me harden To the stone and granite statue, I'm prone to get at you It's hard to break your defense, I guess I have to leap fence And scale wall and break fall on a tree right by your window Reward me for my efforts by rolling this indo As I nibble your neck naughtily, sex is a big part of me Agencies want to audit me, searches in for sodomy My thrust bust artery, I know you're on to me Just wanna have shenanigan, don't wanna make you mad again So focus on the flattery you feel when I fring it Acknowledge that I got it and you love it when I bring it Dirty talk loud but they saying, "Fuck this shit" At the queen's request, if it's gotta be, it's gotta be Is this enough? Is this enough love that I give to you? Is this enough? Is this enough time that I give to you? Is this enough? Tell me that you feel the same way I do
