Shoulder to shoulder I know it could be easy, yeah Now keep your head up, talk to me, I know it could be easy, yeah. What would the world be if we let it be just fine, what would a smile be if not a tear sometime.Sister, sister, I know it could be easy, yeah. Now keep your head up, talk to me, I know it could be easy, yeah. What would the world be if we let it be just fine, what would a smile be if not a tear sometime. I'd rather fail on turf and call it a lesson learned. I'd rather fail on my turf than follow you and you burn. I'd rather fail on turf and call it a lesson learned. I'd rather fail on my turf than follow you and you burn.Shoulder to shoulder I know it could be easy, yeah Now keep your head up, talk to me, I know it could be easy, yeah. What would the world be if we let it be just fine, what would a smile be if not a tear sometime. Mother, mother, I know it could be easy, yeah. Now keep your head up, talk to me, I know it could be easy, yeah. What would the world be if we let it be just fine, what would a smile be if not a tear sometime. I'd rather fail on turf and call it a lesson learned. I'd rather fail on my turf than follow you and you burn.I'd rather fail on turf and call it a lesson learned. I'd rather fail on my turf than follow you and you burn.I'd rather fail on turf and call it a lesson learned. I'd rather fail on my turf than follow you and you burn.
