

Killing Me DJ

Sweetbox

One, two, three
Kill me!Killing me DJ
with another sad song
Killing me DJ
with another sad love song
ten feet under now
singing wow, wow, yeah, yeah
I'm gonna burn your letters in the morning
put all the faded pictures in a box
But till then (killing me dj)
(killing me dj) I just need my time
before I face the end
ohhh!Killing me DJ
with another sad song
Killing me DJ
with another sad love song
ten feet under now
singing wow, wow, yeah, yeah
No one said the best loves last forever
and even the strong ones need to cry
I just can't stand to lose (killing me dj)
I know it just takes some time (killing me dj)
for a heart to mend, for a heart to mend!
Killing me DJ
with another sad song
Killing me DJ
with another sad love song
ten feet under now
singing wow, wow, yeah, yeah
Yea hee, ya-yahee, ya-yo
If I could turn back time
I would do it again
Another mistake for me to live through
but I already knew that heroes fall
If I could turn back time (killing me dj)
I would do it again
Oh, I'd do it againKilling me DJ
with another sad song
Killing me DJ
with another sad love song
ten feet under now
singing wow, wow, yeah, yeah

Killing me DJ
with another sad song
Killing me DJ
with another sad love song
ten feet under now
singing wow, wow...
