## Leave the Light On

## **Beth Hart**

I seen myself with a dirty face,
I cut my luck with a dirty ace
I leave the light on,
I leave that light on
I went from zero to minus ten
I drank your wine then
I stole your man
I leave the light on,

I leave that light on. Daddy ain't that bad he just plays rough

I ain't that scarred when I'm covered up I leave the light on, I leave that light on Little girl hiding underneath the bed

was it something I did Must be something I said

I leave the light on, better leave the light on.

I wanna love I wanna live

I don't know much about it
I never did17 and I'm all messed up inside

I cut myself just to feel alive I leave the light on,

I leave that light on

21 on the run, on the run, on the run, from myself, from myself and everyone

I leave the light on,

Better leave the light on. Cause I wanna love

And I wanna live

I don't know much about it

And I never did,

I don't know what to do, can the damage be undone I swore to God that I'd never be what I've become

Lucky stars and fairy tales

I'm gonna bathe myself in a wishin' well

Pretty scars from cigarettes

I... never will forget, I... never will forgetI'm still afraid to be alone wish that moon would follow me home

I leave the light on,

I leave that light on

I ain't that bad I'm just messed up I ain't that sad but I'm sad enoughCause I wanna love

And I wanna live

I don't know much about it

## And I never did,

I don't know what to do, can the damage be undone
I swore to God that I'd never be what I've becomena na na na na na na na na...
I leave that light, I leave that light onGod bless the child with the dirty face, who cuts her luck with a dirty ace
She leaves the light on,
I leave that light on
