

Broken Heart

Nelson Freitas

Oceans so deep, rivers of water
Grey skies, no sun shining
Kept it real with you by my side
You are not feeling me
Oceans so deep, rivers of water
Grey skies, no sun shining
Kept it real with you by my side
You are not feeling me
Cause I was not feeling weak
Started out as friends then became lovers
When we knew in the end
This was not the plan
Now I suffer, cause you suffer
We're both in agony
All of the things that I've could have done
To keep you near
I've been a fool more than once, it's so, so clear
You love me more than I love you
The fact that you're leaving me
Got me feeling confused
Now I got a broken heart, heart, heart
Now I got a broken heart, heart, heart
Now I got a broken heart, heart, heart
Now I got a broken heart, heart, heart
They say, you never know what you got
Until it's gone
That's true, that's true, so true
And they say, you never miss your water
Till your well runs dry
So true, so true
All of the things that I've could have done
To keep you near
I've been a fool more than once, it's so, so clear
You love me more than I love you
The fact that you're leaving me
Got me feeling confused x 2
Now I got a broken heart, heart, heart
Now I got a broken heart, heart, heart
Now I got a broken heart, heart, heart
Now I got a broken heart, heart, heart
And I don't know what to do.
