

# Animal City

## Shakira

Why do all my friends now want to be your lovers?  
Your family got bigger when they thought you were rich  
And now like maniacs, they scratch your back  
Even when it doesn't itch I want to figure it all  
I want to figure it all out  
I want to save you from  
Save you from all that's vain  
Save you from the things that cause us pain 'Cause it's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you  
It's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you, my love They believe you now  
Have everything you wanted  
And once you have become a star  
You've got no right to bitch But someday when you fail  
They'll put you on sale  
And buy you by the inch But you're the real deal  
And "real" is your middle name  
You know sometimes I feel  
Gotta earn every breath we take, baby  
Never mind the rules we break  
'Cause it's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you It's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready rip you right off With you I feel safe  
There's nothing to fear from us  
Away from the fangs, the fangs of the world  
I may be a coward, but you are brave  
And nothing seems so dangerous 'Cause it's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready to bite you It's an animal city  
It's a cannibal world  
So be obedient, don't argue  
Some are ready rip you right off Cannibal world  
Cannibal world

Cannibal world  
Cannibal world So be obedient, don't argue  
Some are ready to bite you, my love
