

# Like an Animal

## Abraham Mateo

te puedo oler se que estas por aqui...  
mi piel se eriza por ti  
y escucho fuerte latir mi corazon ee  
es fuerte y ya sale el depredador que ya no puede pensar  
que muere por tu calor  
come on, come on yeahse habren mis pupilas al verte encendida,  
come on yeah  
se llena de saliba mi boca furtiva a feel.  
like an Animal  
you make me feel,  
like an animal,  
baby time oh  
like an Animalyou make me scream  
like an Animal  
give me one how  
Like an animal  
Oh, Oh like an AnimalOh, Oh like an Animal  
Oh, Oh like an Animal  
Oh, Oh like an Animalcontigo no puedo usar la razón  
contigo manda el amor  
y pronto pierdo el control  
come on eh  
sube la adrenalina al sentirte viva  
come on yeah  
noche de luna llena y el pulso se acelera  
a feel  
like an Animal  
you make me feel,  
like an animal,  
baby time oh  
like an Animal  
you make me scream  
like an Animal  
give me one how  
Like an animal  
Oh, Oh like an Animal  
Oh, Oh like an Animal  
Oh, Oh like an Animal  
Oh, Oh like an Animal  
like an Animal  
like an Animal  
like an Animal

like an Animal  
se habren mis pupilas al verte encendida oh  
se llena de saliba mi boca furtiva a feel.

like an Animal  
you make me oh  
you make me  
like an Animal  
you make me  
you make me feel,  
like an animal,  
baby time oh  
like an Animal  
you make me scream  
like an Animal  
give me one how  
Like an animal  
Oh, Oh like an Animal  
Oh, Oh like an Animal
