What a Difference a Day Makes

Rod Stewart

What a difference a day makes Twenty-four little hours Brought the sun and the flowers Where there used to be rainMy yesterday was blue, dear Today I'm a part of you, dear My lonely nights are through, dear Since you said you were mine, oh, mineWhat a difference a day makes There's a rainbow before me Skies above can't be stormy Since that moment of bliss, that thrilling kiss It's heaven when you Find romance on your menu What a difference a day makes And the difference is youMy yesterday was blue, dear Today I'm a part of you, dear My lonely nights are through, dear Since you said you were mineWhat a difference a day makes There's a rainbow before me Skies above can't be stormy Since that moment of bliss, that thrilling kiss It's heaven when you Find romance on your menu What a difference a day made And the difference is youThe difference The difference is you
