One (feat. U2)

Mary J. Blige

Is it getting better
Or do you feel the same
Will it make it easier on you now
You got someone to blameYou say

One love

One life (one life)

When it's one need

In the night

It's one love (one love)

We get to share it (oh)

It leaves you darling

If you don't care for itDid I disappoint you?

Or leave a bad taste in your mouth?

You act like you never had love

And you want me to go without

Well it's too late

Tonight

To drag the past out into the light

We're one but we're not the same

We get to carry each other

Carry each other

One, one, one (one), one (one)Have you come here for forgiveness

Have you come to raise the dead

Have you come here to play Jesus

To the lepers in your head

Did I ask too much

More than a lot

You gave me nothing

Now it's all I got

We're one but we're not the same

We hurt each other

Then we do it again

You say

Love is a temple

Love a higher law

Love is a temple

Love is the higher law

You ask of me to enter

But then you made me crawl

And I can't be holding on

To what you got

When all you got is hurtOne love

One blood
One life
You got to do what you shouldOne life
With each other
Sisters
And my brothersOne life
But we're not the same
We get to carry each other
Carry each otherOne (one), one (one), one, one (one)
One love, one life
