

Let Me Help You (Find the Door)

Blackberry Smoke

Everytime I think I'm closer to the heart
Of what it means to know just who I am
I think I've finally found a better place to start
But no one ever seems to understand I need to try to get to where you are
Could it be, your not that far You're the voice I hear inside my head,
the reason that I'm singing
I need to find you
I gotta find you
You're the missing piece I need, the song inside of me
I need to find you
I gotta find you Oh yeah
Yeah yeah
You're the remedy I'm searching hard to find
To fix the puzzle that I see inside
Painting all my dreams the color of your smile
When I find you It'll be alright
I need to try to get to where you are
Could it be, your not that far You're the voice I hear inside my head,
the reason that I'm singing
I need to find you
I gotta find you
You're the missing piece I need, the song inside of me
I need to find you
I gotta find you Been feeling lost, can't find the words to say
Spending all my time stuck in yesterday
Where you are is where I want to be
Oh next to you... and you next to me
Oh I need to find you... yeah
You're the voice I hear inside my head,
the reason that I'm singing
I need to find you
I gotta find you (yeah)
You're the missing piece I need, the song inside of me
I need to find you
I gotta find you You're the voice I hear inside my head,
the reason that I'm singing
I need to find you (I need to find you)
I gotta find you (I gotta find you)
You're the missing piece I need, the song inside of me
I need to find you
I gotta find you Yeah, yeah... I gotta find you
