

Everybody Dies In Their Nightmares (Mixed)

XXXTENTACION

Don't go, don't go to sleep
Don't go, stay up and don't go Tired of feelin' like I'm trapped in my damn mind
Tired of feelin' like I'm wrapped in a damn lie
Tired of feelin' like my life is a damn game
Nigga really wanna die in the night time Only time I feel pain, when I feel in love
That's why it's tatted on my face that I'm damn numb
Only time I'm in my mind, when I'm all alone
That's why I'm really never alone in the night time
Change hoes like clothes, I can't get attached
'Cause these hoes fire starters like lit matches
I've been feeling really lost, ducking all attachments
I don't really go outside 'cause I hate traffic
I don't wanna go outside, get caught in traffic
Tired of feelin' like I'm trapped in my damn mind
Tired of feelin' like I'm wrapped in a damn lie
Tired of feelin' like my life is a damn game
Nigga really wanna die in the night time
Tired of feelin' like I'm trapped in my damn mind
Tired of feelin' like I'm wrapped in a damn lie
Tired of feelin' like my life is a damn game
Nigga really wanna die in the night time
Tired of feelin' like I'm trapped in my damn mind
Tired of feelin' like I'm wrapped in a damn lie
Tired of feelin' like my life is a damn game
Nigga really wanna die in the night time
Nigga really wanna die in the night time
Nigga really wanna die in the night time
Nigga really wanna die in the night time, uh
Nigga really wanna die in the night time, uh
Nigga really wanna die in the night time
