

# How We Feel

## Panama

Uu, uuh uh uh  
Uu, uuh uh uh Alright you know, I don't want to be the one  
I guess its hard to say if you don't want to be in love  
Stay tonight, it won't change how we feel  
Although its late, I guess I'll give it one more try  
Even though it's hard to think, we'll find your keys in the dark  
Stay tonight, it won't change anything Uu, uuh uh uh  
Uu, uuh uh uh  
Stay tonight, it won't change anything  
Stay tonight, it won't change how we feel  
Although it's late I guess I'll give it one more try  
Stay tonight, it won't change anything Uu, uuh uh uh  
Uu, uuh uh uh Stay tonight, it won't change anything  
Stay tonight, it won't change how we feel  
Although it's late I guess I'll give it one more try  
Even though its hard to think, we'll find your keys in the dark  
Stay tonight, it won't change anything Uu, uuh uh uh  
Uu, uuh uh uh  
Stay tonight, it won't change anything  
Stay tonight, it won't change how we feel  
Although it's late I guess I'll give it one more try  
Even though its hard to think, we'll find your keys in the dark  
Stay tonight, it won't change anything Can we start again?  
Can we start again?
