

# In Case

## Demi Lovato

Pictures in my pocket,  
Are faded from the washer  
I can barely just make out your face  
Food you saved for later  
In my refrigerator  
It's been too long since later never came  
I know  
One day eventually  
Yeah, I know  
One day I have to let it all go  
But I keep it just in case  
Yeah, I keep it just in case  
In case  
You don't find what you're looking for  
In case  
You're missing what you had before  
In case  
You change your mind, I'll be waiting here  
In case  
You just want to come home  
Strong enough to leave you  
Weak enough to need you  
Cared enough to let you walk away  
I took that dirty jacket  
From the trash right where you left it 'Cause I couldn't stand to see it go to waste  
I know  
One day eventually  
Yeah, I know  
One day I have to let it all go  
But I keep it just in case  
Yeah, I keep it just in case  
In case  
You don't find what you're looking for  
In case  
You're missing what you had before  
In case  
You change your mind, I'll be waiting here  
In case  
You just want to come home  
In case  
In case you're looking in that mirror one day  
And miss my arms

How they wrapped around your waist  
I say that you can love me again  
Even if it isn't the case  
Ohhh  
You don't find what you're looking for  
Ohhh  
You're missing my love  
You don't find what you're looking for  
In case  
You're missing what you had before  
In case  
You change your mind, I'll be waiting here  
In case  
You just want to come home  
In case  
(Ohhh)
