

In Case

Demi Lovato

Pictures in my pocket,
Are faded from the washer
I can barely just make out your face
Food you saved for later
In my refrigerator
It's been too long since later never came
I know
One day eventually
Yeah, I know
One day I have to let it all go
But I keep it just in case
Yeah, I keep it just in case
In case
You don't find what you're looking for
In case
You're missing what you had before
In case
You change your mind, I'll be waiting here
In case
You just want to come home
Strong enough to leave you
Weak enough to need you
Cared enough to let you walk away
I took that dirty jacket
From the trash right where you left it 'Cause I couldn't stand to see it go to waste
I know
One day eventually
Yeah, I know
One day I have to let it all go
But I keep it just in case
Yeah, I keep it just in case
In case
You don't find what you're looking for
In case
You're missing what you had before
In case
You change your mind, I'll be waiting here
In case
You just want to come home
In case
In case you're looking in that mirror one day
And miss my arms

How they wrapped around your waist
I say that you can love me again
Even if it isn't the case
Ohhh
You don't find what you're looking for
Ohhh
You're missing my love
You don't find what you're looking for
In case
You're missing what you had before
In case
You change your mind, I'll be waiting here
In case
You just want to come home
In case
(Ohhh)
