

# Love Again

## Cascada

I can see it in your eyes  
No more tears, no alibis  
I'm still in love with you  
There's so much I gotta show  
I will never let you go  
But still I know for sure Come take me by the hand  
This summer never ends And I want to know that you believe in love again  
Please tell me now it's not the end  
'Cause this I promise you so true  
The summer belongs to you  
Could you believe in love again?  
How can I make you understand?  
But this I promise you so true  
The summer belongs to you The summer belongs to you Would you catch me if I fall?  
Crash and burn and lose it all  
Tell me what to do  
'Cause I need you night and day  
Will you ever run away?  
Just one more thing to say Come take me by the hand  
This summer never ends And I want to know that you believe in love again  
Please tell me now it's not the end  
'Cause this I promise you so true  
The summer belongs to you  
Could you believe in love again?  
How can I make you understand?  
But this I promise you so true  
The summer belongs to you The summer belongs to you
