

No Lie (feat. Dua Lipa)

Sean Paul

Feel your eyes, they all over me
Don't be shy, take control of me
Get the vibe, it's gonna be lit tonight
Baby girl, yuh a carry ten ton a phatness, gimme some a'
dat
Mixed wid the badness, look how she hot
Shaped like goddess, but a nah just dat
It's a good piece 'a mentals under di cap
Hot piece of gear an mi love how yuh trod
Watching every step a di pepper deh whe yuh got
Stayin' in ma brain, memory cyah detach
Mainly my aim is to give you this love
Hypnotic, the way you move
Let me acknowledge the way you do
And I would not lie, baby you
Beam me up like Scotty
It's so hypnotic the way you move
That's why I wanted to get to you
And I would not lie or play you
But it's so hypnotic
No lie-i-ie (Gyal we never miss)
Feel your eyes, they're all over me
Don't be shy, take control of me
Get the vibe, it's gonna be lit tonight
No li-i-i-ie (Gyal we never miss, gyal we never miss)
Hypnotized, pull another one
It's alright, I know what you want
Get the vibe, it's gonna be lit tonight
No li-i-i-ie (Gyal we never miss, gyal we never miss)
Feels
how we do it, no li-i-ie
Same suh we do it, no li-i-ie
Feels how we do it, it's gonna be lit tonight
No li-i-ie
Feels how we do it, no li-i-ie
It's always how we do it, no li-i-ie
Feels how we do it, it's gonna be lit tonight
No lie-i-iel'm so lit, so lit, my girl
So let me see you roll it, roll it, my girl
Me love it when you bend and fold it
Now let me bone it, and let me own it, my girl
Give you all the styles that I have mastered
Hoist you up, baby girl, that's my word
Give you that good lovin' that is preferred
You deserve it, so don't be scared
Hypnotic, the way you move
Let me acknowledge the way you do
And I would not lie, baby you
Beam me up like Scotty
It's so hypnotic, the way you move
That's why I wanted to get to you
And I would not lie or play you
But it's so hypnotic
No lie-i-ie (Gyal never miss)

Feel your eyes, they're all over me
Don't be shy, take control of me
Get the vibe, it's gonna be lit tonight No li-i-i-ie (Gyal we never miss, gyal we never miss)
