

Just a Gigolo

Village People

I'm Just a gigolo Won't some sweet mamma
come and take a chance with me
cause I aint so bad And I'll sing out, sweet love songs
All of the time
She will only be, only be
Bip bozadee bodzee bop le bop I aint got nobody
oh and theres nobody cares for me
theres nobody cares for me Hummala bebhuhla zeebuhla boobuhla
hummala bebhuhla zeebuhla bop I ain't got nobody, nobody,
nobody cares for me
Nobody, theres nobody cares for me
I'm so sad and lonely,
oh lonely, oh lonely, lonely lonely Won't some sweet mama come and rescue me
cause I aint so bad And I'll sing out
sweet love songs
all of the time
she will only be, only, only, only only be
baby, sugar darling I aint got nobody baby
And there's nobody, there's nobody
there's nobody theres nobody
there's no one, there's no one
nobody, nobody, nobody
nobody cares for me
everywhere I go
people know the part
I'm playing Paid for every dance
selling each romance
Oh what their saying There will come a day
And youth will pass away
What will they say about me When the end comes I know
they'll say just a gigolo
Life goes on without me I'm just a gigolo, everywhere I go
people know the part I'm playing
paid for every dance
starting each romance
oh what their saying And there will come a day
And youth will pass away
What will they say about me When the end comes I know
They'll say just a gigalo
Life goes on without me Cause I aint got nobody
oh and theres nobody cares for me
theres nobody cares for me I'm so sad and lonely

sad and lonely sad and lonely
