

The Change

Evanescence

Thought that I was strong
I know the words I need to say
Frozen in my place
I let the moment slip away I've been screaming
On the inside
And I know you feel the pain
Can you hear me?
Can you hear me?
aaah...
aaah... Say it's over
Yes it's over
But I need you anyway
Say you love me but it's not enough
Never meant to lie
But I'm not the girl you think you know
The more that I am with you
The more that I am all alone I've been screaming
On the inside
And I know you feel the pain
Can you hear me?
Can you hear me?
aaah...aaah...
Say it's over
Yes it's over
But I need you anyway
Say you love me but it's not enough
Not that I'm so different
Not that I don't see
the dying light of
what we used to be
But how can I forgive you
Just change And I'm a liar by your side
I'm about to lose my mind
'Cause I've been screaming
On the inside
And I know you feel the pain
Can you hear me? Can you hear me?
aaah...
You've been dreaming
If you're thinking
That I still belong to you
And I've been dying

'Cause I'm lying to myself!

aaah...

aaah...

Say it's over

Yes it's over

But I need you anyway

Say you love me but it's not enough
