

# Don't Let Me Go

Jai Waetford

.Ohh  
YeahBaby please stay near  
Don't know how I'd live without you here  
It feels like I'm drowning I've got no air  
My life is nothing without you hereSo baby, please don't leave me nowDon't leave me now  
Don't let me go  
Don't let me go  
Don't let me go  
You've got something I can't describe  
You're the one I've wanted my whole life  
What ever happen to the times we'll shareSo baby, please don't leave me nowDon't leave me  
now  
Don't let me go  
Don't let me go  
Don't let me goOooo, don't let me go  
You built me up then  
You break me down  
You could break my heart  
Without a sound  
You've got the softest touch  
And no deceit  
No money or car could change  
What you mean to me  
Cause I'm falling in love with you  
And I just can't help myself  
Cause I'm falling in love with you  
And I just can't help myself  
So please don't go  
Don't leave me now  
Don't let me go
