Just Can't Get Enough

Depeche Mode

When I'm with you baby

I go out of my head

And I just can't get enough

And I just can't get enoughAll the things you do to me

And everything you said

I just can't get enough

I just can't get enoughWe slip and slide as we fall in love

And I just can't seem to get enough of

We walk together

We're walking down the street

And I just can't get enough

And I just can't get enoughEvery time I think of you

I know we have to meet

And I just can't get enough

And I just can't get enoughIt's getting hotter, it's a burning love

And I just can't seem to get enough of

And when it rains

You're shining down for me

And I just can't get enough

And I just can't get enough

Just like a rainbow

You know you set me free

And I just can't get enough

And I just can't get enough

You're like an angel and you give me your love

And I just can't seem to get enough of

Just can't seem to get enough
