

Frozen Ground (feat. Giuseppe De Luca)

Ilan Bluestone

When that old wind blows
The secret stirring in my soul
I heard a fevered sound that stayed with me
Forever And it calls on me
A beacon when I'm all at sea
And if this runs aground we're all in it
Together Ohh ohh ohh o o ohh
Ohh ohh ohh o o ohh On frozen ground, I feel that sound
Forever
Ohh ohh ohh o o ohh
Ohh ohh ohh o o ohh On frozen ground, I feel that sound
Forever Ohh ohh ohh o o ohh
Ohh ohh ohh o o ohh On frozen ground, I feel that sound
Forever Ohh ohh ohh o o ohh
Ohh ohh ohh o o ohh On frozen ground, I feel that sound
Forever And it calls on me
A beacon when I'm all at sea
And if this runs aground we're all in it
Together
Ohh ohh ohh o o ohh
Ohh ohh ohh o o ohh On frozen ground, I feel that sound
Forever
