Oui

Jeremih

Ahh ahh.I think about all the time Think you may need all of mine Hate to say you know that love is blind I'm 'bout to see, I'll close my eyes (Truth is) They can't see you in here though Most of them need dollar signs to make Every day your birthday And every night your Valentine... If we tried that we could be Somewhere the climate is warm, long as you around me I swear that everything will be just fine I wish that we could take some time Go anywhere, baby I don't mind Grown man, in my suit and tie Hey, there's no we without you and I Oh, yea, ah yea, ah ah yea Hey, there's no we without you and I

Oh yea, ah yea, ah ah yeaHey, there's no we without you and I
See my baby know, where my baby go, I go
It's no better feeling, you know when I'm next to her for sure
Oh how can they hate? Gotta get this off my chest
I love you, I swear your shit look bestFriends, they know they hate, they

Oh girl, I think I love you, I swear your shit look bestFriends, they know they hate, they don't get the best

Ah yea, I think I love you, oh baby maybe
If we tried that we could be
Somewhere the climate is warm, long as you around me
I swear that everything will be just fine
I wish that we could take some time
Go anywhere, baby I don't mind
Grown man, in my suit and tie
Hey, there's no we without you and I

Oh, yea, ah yea, ah ah yeaHey, there's no we without you and I Oh yea, ah yea, ah ah yeaHey, there's no we without you and IOohh, da du du du Oohh, da du du du

If we tried that we could be
Somewhere the climate is warm, long as you around me
I swear that everything will be just fine
I wish that we could take some time
Go anywhere, baby I don't mind

Grown man, in my suit and tie
Hey, there's no we without you and I
