## **Upside Down**

## **Jack Johnson**

Who's to say
What's impossible
Well they forgot
This world keeps spinning
And with each new day
I can feel a change in everything
And as the surface breaks reflections fade
But in some ways they remain the same
And as my mind begins to spread its wings
There's no stopping curiosity
I want to turn the whole thing upside down
I'll find the things they say just can't be found
I'll share this love I find with everyone

We'll sing and dance to mother nature's songI don't want this feeling to go away

Who's to say
I can't do everything
Well I can try

And as I roll along I begin to findThings aren't always just what they seem
I want to turn the whole thing upside down
I'll find the things they say just can't be found
I'll share this love I find with everyone

We'll sing and dance to mother nature's songThis world keeps spinning and there's no time to waste

Well it all keeps spinning spinning round and Upside down
Who's to say what's impossible and can't be found
I don't want this feeling to go away
Please don't go away
Please don't go away
Please don't go away
Is this how it's supposed to be
