

# New Romantics

## Taylor Swift

We're all bored  
We're all so tired of everything  
We wait for trains that just aren't coming  
We show off our different scarlet letters  
Trust me mine is better  
We're so young  
But we're on the road to ruin  
We play dumb  
But we know exactly what we're doing  
We cry tears of mascara in the bathroom  
Honey life is just a classroom  
'Cause baby I could build a castle  
Out of all the bricks they threw at me  
And every day is like a battle  
But every night with us is like a dream  
Baby, we're the new romantics  
Come on, come on along with me  
Heartbreak is the national anthem  
We sing it proudly  
We are too busy dancing  
To get knocked off our feet  
Baby, we're the new romantics  
The best people in life are free  
We're all here  
The lights and noise are blinding  
We hang back  
It's all in the timing  
It's poker  
He can't see in my face  
But I'm about to play my ace  
We need love  
But all we want is danger  
We team up  
Then switch up sides like a record changer  
The rumors are terrible and cruel  
But honey, most of them are true 'Cause baby I could build a castle  
Out of all the bricks they threw at me  
And every day is like a battle  
But every night with us is like a dream  
Baby, we're the new romantics  
Come on, come on along with me  
Heartbreak is the national anthem

We sing it proudly  
We are too busy dancing  
To get knocked off our feet  
Baby, we're the new romantics  
The best people in life are free So come on, come on along with me  
The best people in life are free Please take my hand, and  
Please take me dancing, and  
Please leave me stranded  
It's so romantic Oh, 'cause baby I could build a castle  
Out of all the bricks they threw at me  
And every day is like a battle  
But every night with us is like a dream 'Cause baby I could build a castle  
Out of all the bricks they threw at me  
And every day is like a battle  
But every night with us is like a dream  
Baby, we're the new romantics  
Come on, come on along with me  
Heartbreak is the national anthem  
We sing it proudly  
We are too busy dancing  
To get knocked off our feet  
Baby, we're the new romantics  
The best people in life are free
