

Believe

Staind

I sit alone and watch the clock
Trying to collect my thoughts
All I think about is you And so I cry myself to sleep
And hope the devil I don't meet
In my dreams that I live through Believe in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strong
Believe in me
This life's not always what it seems
Believe in me
'Cause I was made for chasing dreams
All the smiles you've had to fake
And all the shit you've had to take
Just to lead us here again I never have the things to say
To make it all just go away
To make it all just disappear Believe in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strong
Believe in me
This life's not always what it seems
Believe in me
'Cause I was made for chasing dreams It's my life, it's my choice
Hear my words, hear my voice
And just believe
I sit alone and watch the clock
Trying to collect my thoughts
And all I think about is you If you believe in me
Life's not always what it seems
Believe in me
'Cause I was made for chasing dreams Believe in me
I know you've waited for so long
Believe in me
Sometimes the weak become the strong
Believe in me
This life's not always what it seems
Believe in me
'Cause I was made for chasing dreams
