

Told You So

Little Mix

[Intro: Jesy]

Da-dum, da-dum[Verse 1: Jesy]

Be honest

How are you feeling, girlfriend?

Have you been crying again?

Just give it some time, breath out

See I'm happy that boy was just playing pretend

We said it, you wouldn't listen

But finally, you found out[Pre-Chorus: Jade]

That he's never gonna love you like we do, oh

But please, he's never gonna find no one like you, no

[Chorus: All]

Girl, just come round mine tonight

I've got wine and make-up wipes

I'll hold you, I'll hold you

We can put the kettle on

Talk 'bout how he's not the one

I told you

But I'm never gonna say I told you so[Verse 2: Leigh-Anne]

To be honest

His best friend was hotter than him (Yeah)

His jokes were just lacking content (Yeah)

But darling, you're better than

Someone who lies and cheats to set the scene

It's every week and every single club we've been in (Oh)

He's with another girl again

[Pre-Chorus: Perrie & All]

Now you know that he's never gonna love you like we do, yeah

Oh na-na-na-na-na-na, oh na-na-na-na-na-na

Please he's never gonna find no one like you, oh, no, no, whoa[Chorus: All, Leigh-Anne & Jesy]

Girl, just come round mine tonight

I've got wine and make-up wipes

I'll hold you (I'll hold you), I'll hold you (I'll hold you)

We can put the kettle on

Talk 'bout how he's not the one

I told you (I told you)

But, I'm never gonna say I told you so[Bridge: Jade & (All)]

I'm never gonna say I told you (Yeah)

I'm never gonna say I told you so (Yeah)

I'm never gonna say I warned you

But I'm just so glad that you know, that you know, that you know[Chorus: All]

Girl, just come round mine tonight

I've got wine and make-up wipes
I'll hold you (I'll hold you), I'll hold you (I'll hold you, yeah)
We can put the kettle on
Talk 'bout how he's not the one (He's not the one)
I told you (I told you, no, baby)
But, I'm never gonna say I told you so
Just come round mine tonight (Baby, come around)
I've got wine and make-up wipes
I'll hold you (I'll hold you), I'll hold you (I'll hold you)
We can put the kettle on
Talk 'bout how he's not the one (Oh, yeah, yeah)
I told you
But, I'm never gonna say I told you so, oh
