I'm about it allOoh  
Catch me if you can  
My pappy never could  
So he would smack me with his handsDamn  
Now I'm a grown ass man  
Better let it go 'fo I go fast man  
Like a po' fat man

Guess I'll get my head some screws  
And get togetha, school, whateva that'll do  
I don't really know, but I fo show me where dat bull  
Shit to get me through  
Oh my!  
Goodness I should do this with a bow tie  
Turn it 'till it's prefect with a bold size  
Jerr it won't be worth it but it's all mineOoh  
I'm about it all  
I'm about the big  
I'm about the smallOoh

Cause like it really ain't  
Like it's in yo' brain!  
I'm amazed that every day is made so plain  
So I'ma break the chain  
And stage a feign campaign

Cause I feel real wood
