

# Somewhere In the Night

Barry Manilow

Time...

You found time enough to love  
And I found love enough to hold you  
So tonight.

I'll stir the fire you feel inside  
Until the flames of love enfold you  
Laying beside you, lost in the feeling  
So glad you opened my door  
Come with me.

Somewhere in the night we will know  
Everything lovers can know  
You're my song.

Music too magic to end  
I'll play you over and over again  
Loving so warm.  
Moving so right.

Closing our eyes and feeling alive  
We'll just go on burning bright  
Somewhere in the night  
You'll sleep.

When the morning comes  
And I'll lie and watch you sleeping  
And you'll smile.

When you dream about the night  
Like it's a secret you've been keeping  
Laying beside you lost in the feeling  
So glad you opened my door

You're my song  
Music too magic to end  
I'll play you over and over again  
Loving so warm.  
Moving so right.

Closing our eyes and feeling alive  
We'll just go on burning bright  
Somewhere in the night  
We'll just go on burning bright  
Somewhere in the night...
