Somewhere In the Night

Barry Manilow

Time... You found time enough to love And I found love enough to hold you So tonight. I'll stir the fire you feel inside Until the flames of love enfold you Laying beside you, lost in the feeling So glad you opened my door Come with me. Somewhere in the night we will know Everything lovers can know You're my song. Music too magic to end I'll play you over and over again Loving so warm. Moving so right. Closing our eyes and feeling alive We'll just go on burning bright Somewhere in the night You'll sleep. When the morning comes And I'll lie and watch you sleeping And you'll smile. When you dream about the night Like it's a secret you've been keeping Laying beside you lost in the feeling So glad you opened my door You're my song Music too magic to end I'll play you over and over again Loving so warm. Moving so right. Closing our eyes and feeling alive We'll just go on burning bright Somewhere in the nightWe'll just go on burning bright Somewhere in the night...
