

More Than Words

Extreme

Saying "I love you"
Is not the words I want to hear from you
It's not that I want you
Not to say, but if you only knew how easy
It would be to show me how you feel
Is all you have to do to make it real
Then you wouldn't have to say that you love me
'Cause I'd already know
What would you do if my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say if I took those words away
Then you couldn't make things new
Just by saying "I love you"
More than words
Now but I've tried to talk to you
And make you understand
All you have to do is close your eyes
And just reach out your hands
And touch me
Hold me close, don't ever let me go
Is all I ever needed you to show
Then you wouldn't have to say that you love me
'Cause I'd already know
What would you do if my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say if I took those words away
When you couldn't make things new
Just by saying "I love you"
More than words
More than words
More than words
More than words
More than words
