Destination Calabria (feat. Crystal Waters)

Alex Gaudino

Destination unknownI left my job, my boss, my car and my home
I'm leaving for a destination I still don't know
Somewhere nobody must have duties at home
And if you like this, you can follow me
So let's goFollow me

And let's go

To the place where we belong

And leave our troubles at home

Come with me

We can go

To a paradise of love and joy

A destination unknown

Now I won't feel those heavy shoulders no more

My life got better now I finally enjoy

Yes all the people wanna come here and so

Come on and join us you can do that now

Let's goFollow me

And let's go

To the place where we belong

And leave our troubles at home

Come with me

We can go

To a paradise of love and joy

A destination unknown

Unknown

Destination unknown

Destination unknown

Follow me

And let's go

Follow me

And let's go

To the place where we belong

And leave our troubles at home

Come with me

We can go

To a paradise of love and joy

A destination unknownDestination unknown
