## I Run To You

## Lady Antebellum

I run from hate I run from prejudice I run from pessimists But I run too late I run my life Or is it running me Run from my past I run too fast Or too slow it seems When lies become the truth That's when I run to you This world keeps spinning faster Into a new disaster, so I run to you I run to you, baby And when it all starts coming undone Baby, you're the only one I run to I run to youWe run on fumes Your life and mine Like the sands of time Slippin' right on through And our love's the only truth That's why I run to youThis world keeps spinning faster Into a new disaster, so I run to you I run to you, baby And when it all starts coming undone Baby, you're the only one I run to I run to you Whoa-oh-whoa Oh, I run to youThis world keeps spinning faster Into a new disaster, so I run to you I run to you, baby And when it all starts coming undone Baby, you're the only one I run to I run to you, I run to you, yeah Whoa-oh-whoa Oh, I run to you I run to you girl Whoa-oh-whoa Song Discussions is protected by U.S. Patent 9401941.
