

Can't Find My Way Home

[Eric Clapton & Steve Winwood](#)

Come down off your throne and leave your body alone
Somebody must change
You are the reason I've been waiting so long
Somebody holds the key But I'm near the end and I just ain't got the time, oh no
And I'm wasted and I can't find my way home Come down on your own and leave your body at
home
Somebody must change
You are the reason I've been waiting all these years
Somebody holds the key But I'm near the end and I just ain't got the time, oh no
And I'm wasted and I can't find my way home But I'm near the end and I just ain't got the time,
oh no
Oh no, and I'm wasted and I can't find my way home But I can't find my way home
Still I can't find my way home
And I ain't done nothing wrong
Still I can't find my way home
And I ain't done nothing wrong
Still I can't find my way home
No I can't find my way home
No I can't find my way home
