

Next 2 You (feat. Justin Bieber)

Chris Brown

You've got that smile
That only heaven can make.
I pray to God everyday
That you keep that smile. Yeah, you are my dream
There's not a thing I won't do.
I'd give my life up for you
'Cause you are my dream. And baby, everything that I have is yours
You will never go cold or hungry.
I'll be there when you're insecure
Let you know that you're always lovely.
Girl, 'cause you are the only thing that I got right now.
One day when the sky is falling
I'll be standing right next to you
Right next to you.
Nothing will ever come between us
I'll be standing right next to you
Right next to you. If you had my child
You would make my life complete.
Just to have your eyes on a little me
That'd be mine forever. That'd be mine forever. And baby, everything that I have is yours
You will never go cold or hungry
I'll be there when you're insecure
Let you know that you're always lovely
Girl, 'cause you are the only thing that I got right now
One day when the sky is falling
I'll be standing right next to you
Right next to you.
Nothing will ever come between us
I'll be standing right next to you
Right next to you. We're made for one another
Me and you
And I have no fear
I know we'll make it through One day when the sky is falling
I'll be standing right next to you
Ohh ohh ohh ohhhhh One day when the sky is falling
I'll be standing right next to you
Right next to you.
Nothing will ever come between us
I'll be standing right next to you
Right next to you.
Oh nah nah
Oh yeah

Stand by my side
When the sky falls
Oh baby
I'll be there
You've got that smile
That only heaven can make.
I pray to God everyday
To keep you forever.
