Next 2 You (feat. Justin Bieber)

Chris Brown

You've got that smile That only heaven can make. I pray to God everyday That you keep that smile. Yeah, you are my dream There's not a thing I won't do. I'd give my life up for you 'Cause you are my dream. And baby, everything that I have is yours You will never go cold or hungry. I'll be there when you're insecure Let you know that you're always lovely. Girl, 'cause you are the only thing that I got right now. One day when the sky is falling I'll be standing right next to you Right next to you. Nothing will ever come between us I'll be standing right next to you Right next to you.If you had my child You would make my life complete. Just to have your eyes on a little me That'd be mine forever. That'd be mine forever. And baby, everything that I have is yours You will never go cold or hungry I'll be there when you're insecure Let you know that you're always lovely Girl, 'cause you are the only thing that I got right now One day when the sky is falling I'll be standing right next to you Right next to you. Nothing will ever come between us I'll be standing right next to you Right next to you.We're made for one another Me and you And I have no fear I know we'll make it throughOne day when the sky is falling I'll be standing right next to you Ohh ohh ohh ohhhhhOne day when the sky is falling I'll be standing right next to you Right next to you. Nothing will ever come between us I'll be standing right next to you Right next to you. Oh nah nah Oh yeah

Stand by my side When the sky falls Oh baby I'll be there You've got that smile That only heaven can make. I pray to God everyday To keep you forever. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
