Next 2 You (feat. Justin Bieber)

Chris Brown

You've got that smile

That only heaven can make.

I pray to God everyday

That you keep that smile. Yeah, you are my dream

There's not a thing I won't do.

I'd give my life up for you

'Cause you are my dream. And baby, everything that I have is yours

You will never go cold or hungry.

I'll be there when you're insecure

Let you know that you're always lovely.

Girl, 'cause you are the only thing that I got right now.

One day when the sky is falling

I'll be standing right next to you

Right next to you.

Nothing will ever come between us

I'll be standing right next to you

Right next to you. If you had my child

You would make my life complete.

Just to have your eyes on a little me

That'd be mine forever. That'd be mine forever. And baby, everything that I have is yours

You will never go cold or hungry

I'll be there when you're insecure

Let you know that you're always lovely

Girl, 'cause you are the only thing that I got right now

One day when the sky is falling

I'll be standing right next to you

Right next to you.

Nothing will ever come between us

I'll be standing right next to you

Right next to you. We're made for one another

Me and you

And I have no fear

I know we'll make it throughOne day when the sky is falling

I'll be standing right next to you

Ohh ohh ohh ohhhhhOne day when the sky is falling

I'll be standing right next to you

Right next to you.

Nothing will ever come between us

I'll be standing right next to you

Right next to you.

Oh nah nah

Oh yeah

Stand by my side
When the sky falls
Oh baby
I'll be there
You've got that smile
That only heaven can make.
I pray to God everyday
To keep you forever.
