

# The Day That Never Comes

## Metallica

Born to push you around  
Better just stay down  
You pull away  
He hits the flesh  
You hit the groundMouths so full of lies  
Tend to block your eyes  
Just keep them closed  
Keep praying  
Just keep waitingWaiting for the one  
The day that never comes  
When you stand up and feel the warmth  
But the sunshine never comes, no  
No, the sunshine never comes  
Push you 'cross that line  
Just stay down this time  
Hide in yourself  
Crawl in yourself  
You'll have your timeGod, I'll make them pay  
Take it back one day  
I'll end this day  
I'll splatter color on this grayWaiting for the one  
The day that never comes  
When you stand up and feel the warmth  
But the sunshine never comesLove is a four-letter word  
And never spoken here  
Love is a four-letter word  
Here in this prison  
I suffer this no longer  
I'll put an end to this, I swear  
This, I swear  
The sun will shine  
This, I swear  
This, I swear  
This, I swear
