Ritualist  
A new storm is brewing  
Away with obstacles to progress  
Those deficient in ambition to prosperity  
Yearning but what already is gone  
The remains digress and start anewRitualist

Expanding the source at handAligned with the continuum  
Expanding the source at hand  
Altering the past and the present  
The future changes the chain of commandTransfusion of new blood  
Congregation of true blood  
With no chains attached  
We're letting the past rest  
And things will never quite be the same  
Transfusion of new blood  
Congregation of true bloodTransfusion of new blood  
Mobilization of true blood  
What's leaving is already left behind  
What's leaving is already left behindWith no chains attached  
We're letting the past rest  
Things will never quite be the same  
When we are in charge of the gameDispatching the chained ones  
While being watched by the eyes of time  
Everything is clearer now  
The search is on for the next horizonRitualist  
Moving forward with silence and rapid pace  
Ritualist  
Since the horror dawned upon our immediate raceRitualist  
The veil has once again been extracted  
Ritualist  
From the mist that dimmed our eyesRitualist
