

Ritualist

Dimmu Borgir

[Foreign Content] Shedding the old skin
Procreating new sin
Incubation and isolation
A new storm is brewing Ritualist
Shedding the old skin
Ritualist
Procreating new sin Ritualist
Incubation and isolation
Ritualist
A new storm is brewing
Away with obstacles to progress
Those deficient in ambition to prosperity
Yearning but what already is gone
The remains digress and start anew Ritualist
Aligned with the continuum
Ritualist
Expanding the source at hand Aligned with the continuum
Expanding the source at hand
Altering the past and the present
The future changes the chain of command Transfusion of new blood
Congregation of true blood
With no chains attached
We're letting the past rest
And things will never quite be the same
Transfusion of new blood
Congregation of true blood Transfusion of new blood
Mobilization of true blood
What's leaving is already left behind
What's leaving is already left behind With no chains attached
We're letting the past rest
Things will never quite be the same
When we are in charge of the game Dispatching the chained ones
While being watched by the eyes of time
Everything is clearer now
The search is on for the next horizon Ritualist
Moving forward with silence and rapid pace
Ritualist
Since the horror dawned upon our immediate race Ritualist
The veil has once again been extracted
Ritualist
From the mist that dimmed our eyes Ritualist
