

# When the Sun Goes Down

## Fleetwood Mac

Written by Billy Burnette and Rick Vito.

When the sun goes down and the moon shines bright  
Honey if you call my name, I will take away your pain  
I will take good care of you tonight  
Somebody broke your heart, tore your world apart  
But that's all over, it's a brave new day  
Somebody made you cry, took away your pride  
But that's all over, let's be on our way  
When the sun goes down and the moon shines bright  
In my arms it's safe and warm, I give you shelter from the storm  
I will take good care of you tonight  
Somebody made you sad, treated you so bad  
But that's all over- I won't let you down  
Well he was just a fool, wonder why so cruel  
But you'll forget him, when I come around  
When the sun goes down and the moon rises high  
Honey open up your door and you won't have to hurt no more  
I will take good care of you tonight  
Well step out of the shadows, let the night begin  
When you hear me knockin', let me in  
When the sun goes down and the moon shines bright  
Honey if you call my name, I will take away your pain  
I will take good care of you tonight  
When the sun goes down and the moon rises high  
In my arms it's safe and warm, I give you shelter from the storm  
I will take good care of you tonight  
Hurry, open up your door and you won't have to hurt no more  
I will take good care of you tonight
