When the Sun Goes Down

Fleetwood Mac

Written by Billy Burnette and Rick Vito. When the sun goes down and the moon shines bright Honey if you call my name, I will take away your pain I will take good care of you tonightSomebody broke your heart, tore your world apart But that's all over, it's a brave new day Somebody made you cry, took away your pride But that's all over, let's be on our way When the sun goes down and the moon shines bright In my arms it's safe and warm, I give you shelter from the storm I will take good care of you tonightSomebody made you sad, treated you so bad But that's all over- I won't let you down Well he was just a fool, wonder why so cruel But you'll forget him, when I come aroundWhen the sun goes down and the moon rises high Honey open up your door and you won't have to hurt no more I will take good care of you tonightWell step out of the shadows, let the night begin When you hear me knockin', let me inWhen the sun goes down and the moon shines bright Honey if you call my name, I will take away your pain I will take good care of you tonight When the sun goes down and the moon rises high In my arms it's safe and warm, I give you shelter from the storm I will take good care of you tonight Hurry, open up your door and you won't have to hurt no more I will take good care of you tonight Song Discussions is protected by U.S. Patent 9401941.
