

The Goldenwing Circus

The Cast of Sofia the First

James: You know it's coming when the wagons appear
Amber: That crazy calliope theme catches your ear.
Both: The coolest circus in the kingdom is here.
All: And the tents are rising! Amber: They're full of mystical, unusual things!
James: Like magical penguins
Amber: A tiger that sings!
Guards: A three ring little show
That's not what this will be
James/Amber/Guards: It's four rings of fun 'cause there's so much to see! All: At the
Goldenwing Circus
Guards: You'll hear the ringleader call!
It's the Goldenwing Circus
Guards and James: The Grandest Circus of All
Gardener: Most every circus has some elephants too
Ladies: But here they're gigantic, and purple and blue
Cook: With dancing unicorns who enter on cue
All: As they're harmonizing! Townsfolk: Up on the wire Elves are doing their tricks
But doing them blindfolded just for the kicks
James: A Tamer grabs a chair, and waves it everywhere
James/Others: Then dozens of dragons appear in midair! All: At the Goldenwing Circus, a huge
spectacular show!
It's the Goldenwing Circus
The Grandest Circus I Know! (Instrumental Score) James: The jugglers juggle but, they juggle
way up high
They juggle and juggle, clear up to the sky! All: At the Goldenwing Circus, there's never a
stumble or fall
It's the Goldenwing Circus
All: And here in the crowd, you'll hear the applause
They're laughing and cheering, it's simply because
It's the Goldenwing Circus
The Grandest Circus of All!
