

Higher

David Guetta, Joachim Garraud & Chris Willis

You know I need to go higher
You know I need to go higher
You know I need to go higher
You know I need to go higher Don't ask me why
I want to live
Don't ask me why
I want to hear
Don't ask me why
I need to high
Don't ask me why
You need to die
Don't ask me why
Don't ask me why
You know I need to go higher
You know I need to go higher
You know I need to go higher
You know I need to go higher
Don't ask me why
